EPA NSW new draft guidance for

Transport Emergency Response Plans released for comment

EPA NSW is seeking your feedback on new draft guidelines to assist drivers of road tank vehicles and prime movers to prepare a Transport Emergency Response Plan.

The guidance document includes:

- Definition and guidance around transporting dangerous goods
- Practical easy-to-use templates
- Checklist.

EPA NSW want to ensure the document meets the needs of our members and are seeking your feedback.

Consultation closes on **5pm on 28 February 2023**. If you'd like to contribute or join the NBTA's DG working group send an email to anthony@nbta.com.au

Transport Emergency Response Plan

We are seeking feedback on our guidance on how to prepare a Transport Emergency Response Plan for transporting liquid dangerous goods in tanks.

NBTA Education and Awareness program launch on 28 Feb in Sydney

Understand your obligations for the road transport of bulk dangerous goods

12 individual on-line modules cover the obligations of drivers, supervisors, loaders, managers and others involved in the road transport of Dangerous Goods

The Education and Awareness program will be launched at our General meeting in Sydney on 28 February

Bulk Tanker Day – Exhibition space increased for 2023

A photograph of a large white bulk tanker truck with a silver trailer, parked on an asphalt surface. The truck is viewed from a rear-quarter angle, showing its multiple axles and the large cylindrical tank. The background is slightly blurred, suggesting an outdoor exhibition or event setting.

**BULK TANKER DAY
2023**

**Wednesday 17th May
Brisbane Showgrounds**

Good news for NBTA Partners and Exhibitors we have increased the exhibition space available at Bulk Tanker Day. Bulk Tanker Day 2023 will be held the day before the opening of the Brisbane Truck Show - Wednesday 17th May at the Brisbane Showgrounds.

The Bulk Tanker Day 2023 is a unique opportunity to present your issues, your brand and also your products and services that you provide to the Bulk Tanker Industry.

To discuss how you'd like to be involved Bulk Tanker Day contact Greg Rowe [0407 825 132 greg@nbta.com.au](mailto:greg@nbta.com.au)

NBTA welcomes new member

Kel Campbell Fuel Haulage

Kel Campbell Fuel Haulage was founded by Kel and Colleen in 1984 and is a part of Campbell Petroleum Distributors which is a local, family-owned fuel distribution company servicing the Illawarra, Shoalhaven, Eurobodalla, Eden Monaro, Bombala, Cooma, ACT, Goulburn, Yass, and the Southern Highlands. An Ampol Distributor, selling quality Ampol fuels and Mobil lubricants throughout our network of regional depots and service stations and provides fuel haulage services from major terminals direct to customer location regardless of fuel brand.

Kel Campbell started from humble beginnings but has now grown into a thriving business with over 150 employees, 12 service stations and an impressive network of regional depots. Kel Campbell being regionally located, knows that it's people who make all the difference to the success of the business, and strive to put them and their communities first.

The NBTA welcomes Kel Campbell Fuel Haulage as a new member for 2023.

Regards,

Anthony Germanchev
