

# Bulk Tanker Program

**Shane Gillard**

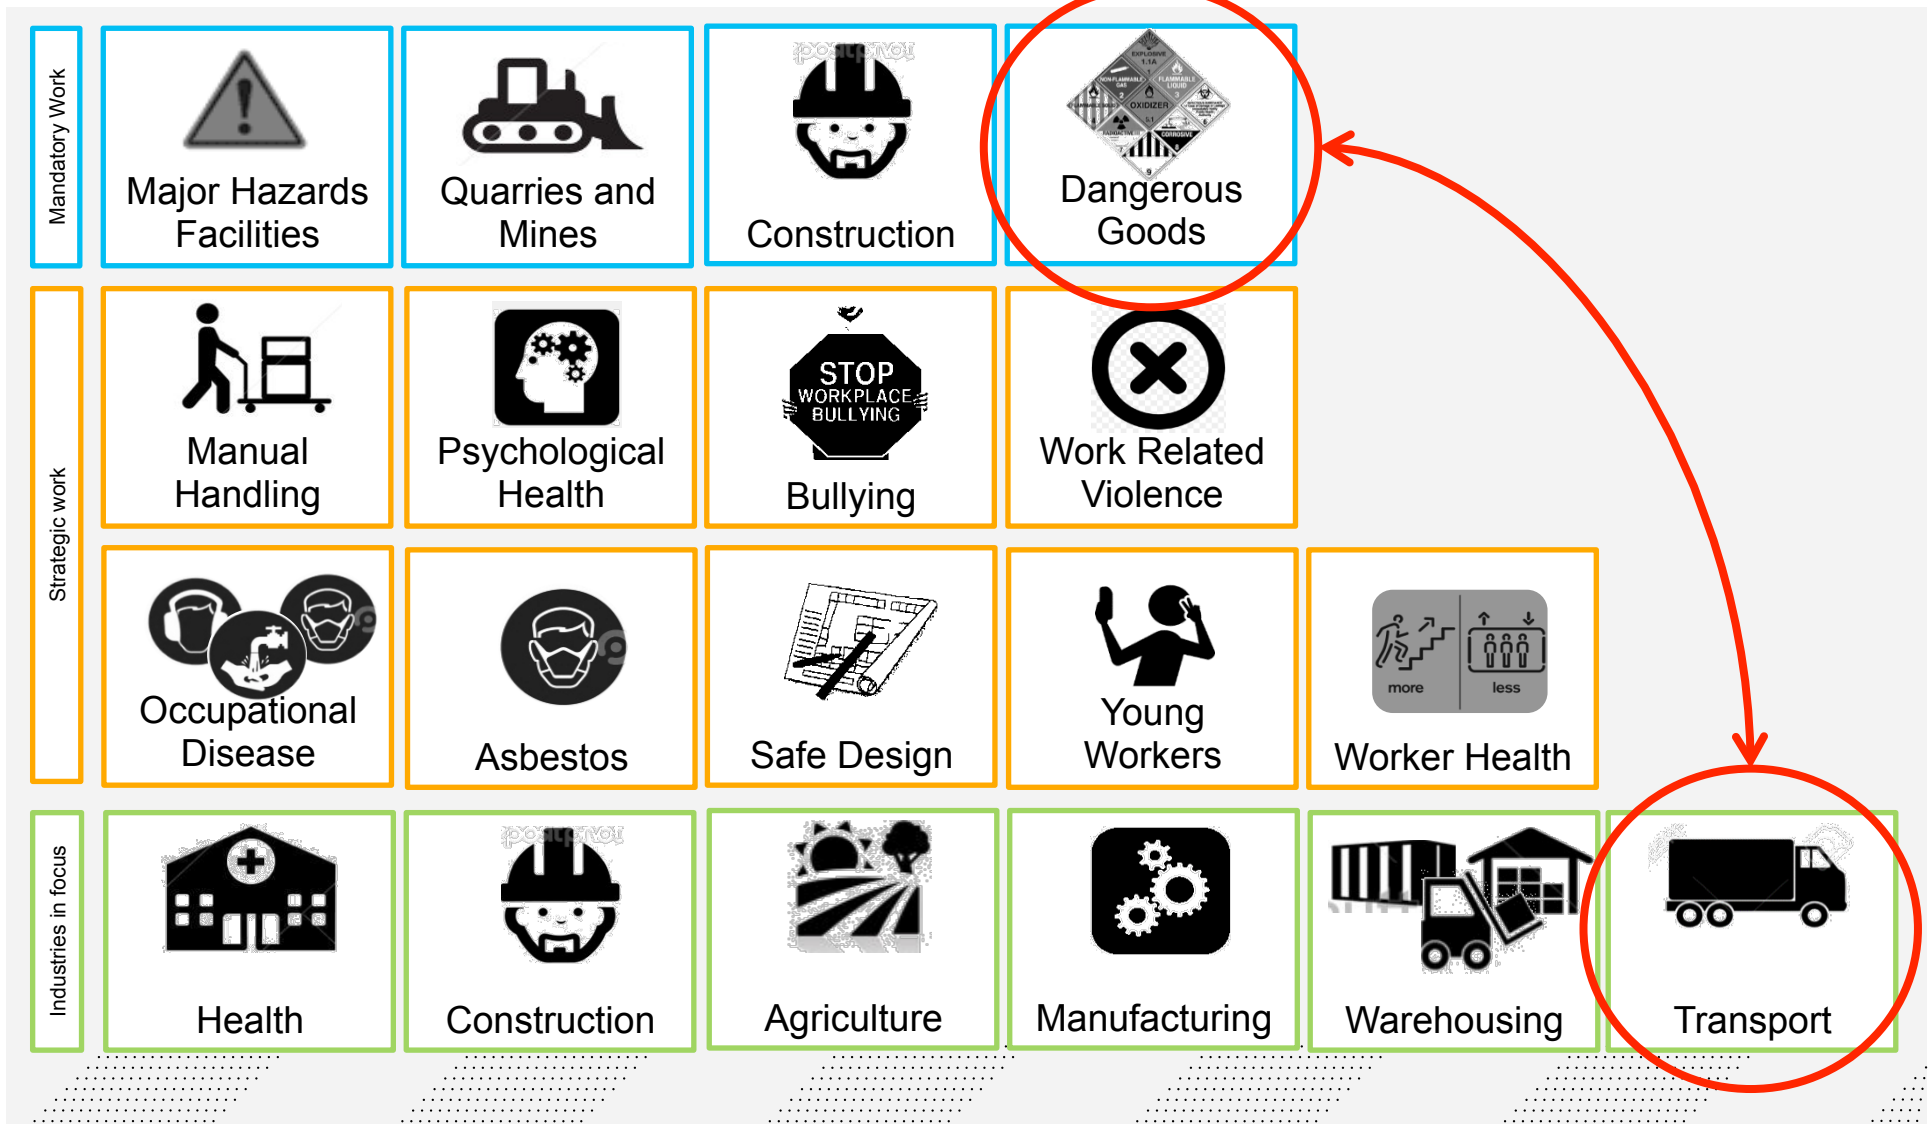

Head of Operations &  
Emergency Management

NBTA – Bulk Tanker Day

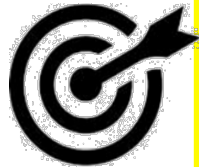

# WorkSafe Strategy 2017

## Health & Safety Priorities 2015/16

# Determining our H&S priorities

Target & prioritise the highest risks

Work across supply chains and networks

Eliminate & minimise risk through safe design & higher order controls

Build industry capacity to proactively manage OHS risks

Increased industry knowledge, awareness & capability

Work with & through others

Taking a whole of WorkSafe view

# Program – Transportation of DG

**Completed over 3 project phases, WorkSafe will deliver 2,100 Bulk tank Vehicle Inspections in next 3 years**

# Recent roadside activities

- **Key Part of WorkSafe's Strategy 2017 Program**

- > May 2015 to July 2017
- > Focus on **ALL** road transport
- > Joint 'side of road' inspection programs involving WorkSafe VicRoads, Victoria Police & EPA

- **Key Statistics (so far...)**

- > 159 visits
- > 45 Notices
  - 26 improvements
  - 19 Voluntary Compliance

# The challenges ahead...

Thank you & enjoy the day!

A banner for WorkSafe Victoria featuring a man in a high-visibility vest. The text on the banner reads: "Work safe. Leave safe." in large white font, followed by "Find out how safe your workplace is." in smaller white font, and a yellow button with the text "TAKE THE SURVEY".

**Work safe.  
Leave safe.**

Find out how safe your workplace is.

**TAKE THE SURVEY**
